Letter of Consent

I, _____, am the authorized owner/manager/representative of the building/facility listed above, and I consent to the applicant named above applying for the **2026 Façade Improvement Funding**. I understand this funding is **administered by the City of Terrace and Northern Development Initiative Trust (NDIT)**, and that the **Terrace Downtown Improvement Area Society (TDIA)** supports downtown members and businesses by assisting them to access these funds. I understand that if the applicant is approved, they will be required to **pay all project costs upfront**, and that the **City of Terrace and NDIT will reimburse eligible costs only after required documentation is submitted, including proof of payment**. I further understand that **reimbursement to successful applicants is expected in January 2027**. I understand that **projects cannot be in progress or already started at the time of application**, and that **all required permits must be approved through the City of Terrace prior to work commencing**.

As the building/facility owner/manager, I am responsible for obtaining advice on, and being satisfied as to, the suitability of any improvements completed to the building/facility.
